

THE MASTERS SUITE

The impressive Masters Suite is our new 852sqm event space built and designed to host everything from conferences and product launches, to mini expos, banquets and weddings.

The suite can also be divided into smaller spaces allowing flexibility and versatility. With a large pre-function area including a mezzanine level, outdoor terrace, and an executive boardroom, and situated opposite The Green, our outdoor team building space, it is designed to meet the diverse needs of clients, organisers and delegates.
